

MBI Rules and Policies

- 1 All Club members must follow the directions of the range officer in charge.
- 2 All firearms must be carried on and off the range in a safe and unloaded condition.
- 3 Firearms must always be pointed down range whether loaded or not.
- 4 **NRA** prescribed safety rules must be observed at all times. Any violation of the rules set forth herein will result in immediate disciplinary action as well as possible suspension and/or revocation of range privileges without compensation.
- 5 There is no smoking allowed on the premises.
- 6 Custom loads or outside ammunition are not allowed on the range for safety and insurance reasons.
- 7 All shooters must wear proper eye and ear protection.

MBI RIFLE AND PISTOL CLUB

Centrally located in the Long Island town of Mineola, N.Y., **MBI** is less than one hour away from New York City and only 200 feet North of the Long Island Railroad station at Mineola.

MBI has been a leader in firearms instruction for over 35 years. Our facilities and experienced, professional staff will train you to become a competent shooter.

For members' use we supply the latest in firearms and related equipment as well as an indoor official **NRA**-certified 4 point 50' range. Safety is first and foremost at **MBI** with close range supervision at all times.

Our instructors are all **NRA** and **MBI** certified and have been involved in law enforcement or the shooting sport for many years. You may choose a course in target shooting, personal protection, home safety, or have a custom course created for you. You will find our equipment and range facilities clean, well maintained and modern, with excellent ventilation and lighting.

MBI has established itself as a leader in firearms training and has produced several **New York State champions** as well as **NSAA and Olympic class shooters**.

MBI offers courses in **Skeet and Trap** shooting at some of the most prestigious club ranges in the United States. You will be coached by national champions and introduced to the finest shotguns in the world.

Individual Plan*

Membership dues are **\$450.00** for the first year. You will be instructed in basic firearms safety and marksmanship using the best firearms, such as Glock, Smith and Wesson, Beretta, Walther, Colt, Sig-Sauer; etc. Certificates are awarded upon successful completion of each training phase. Membership dues are reduced to **\$150.00** for renewal.

Club members are invited to participate in annual hunting trips, expeditions and shoots conducted by professional hunters in beautiful settings at substantially discounted prices.

Club members also receive discounts on merchandise and ammunition and are eligible to compete for prizes, trophies and plaques in **NRA** sanctioned tournaments, as well as in formal Club competition.

Group Plan*

For groups of three or more people the Club offers a reduced rate package based on the number of people and their ages.

Guest Policy

Club members are allowed to bring one guest per month. **Prior management permission required** to avoid any interruption of scheduled range time or training.

Available services

Michael Britt Inc. is one of the foremost gunsmiths in the United States and has a fully stocked retail store on premises. We are authorized armorers for almost every major gun manufacturer in the world.

MBI offers Licensing Assistance Service at a reasonable rate. Our associates will complete all necessary paperwork and advise you as to your best course of action. Our legal staff includes experts in this field who are dedicated to meeting your specific needs.

IMPORTANT NOTE:

***MBI** has one of the best safety records of any **NRA** range in the country. All plans include standard liability insurance. Beyond this, **MBI** is not responsible for any claims arising from misconduct or improper use of its facilities or equipment.
